

# Rent My Ride

## USER GUIDE

Hi! Welcome to our site: RentMyRide.

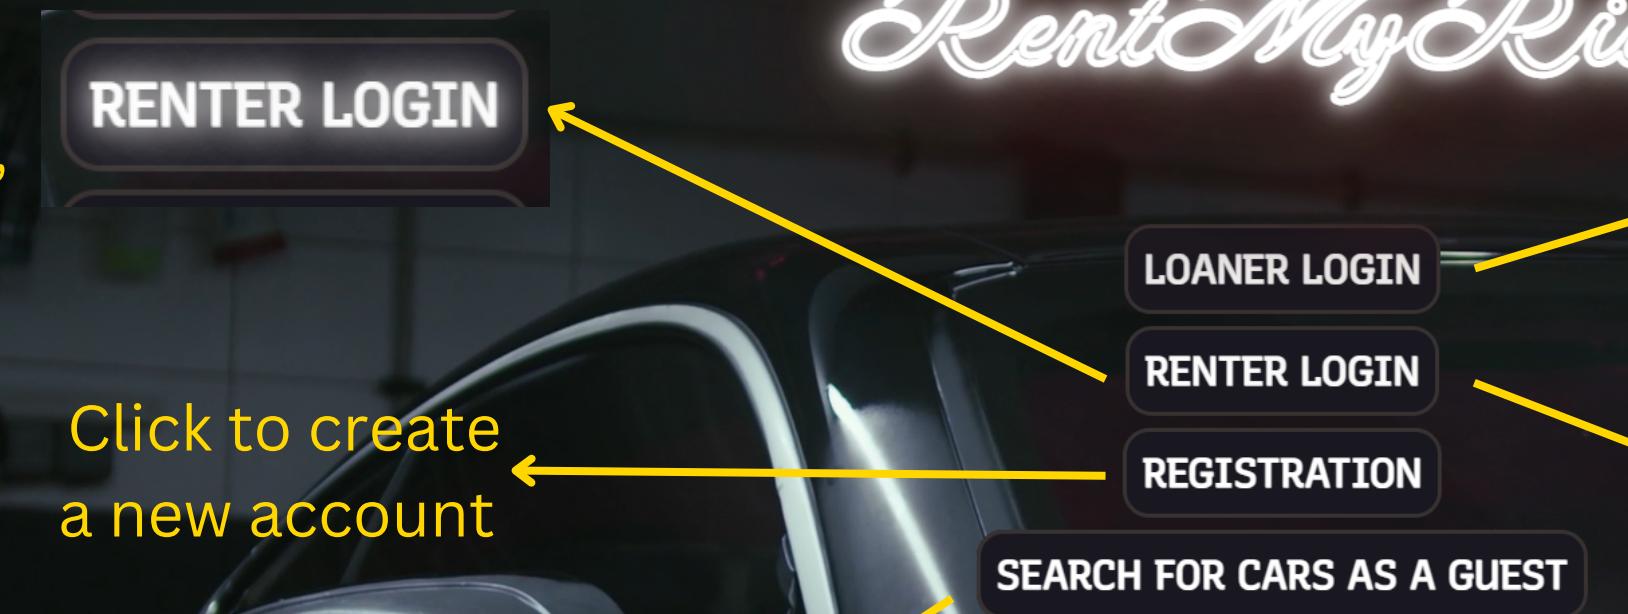

The purpose of this platform is for users, like yourself, to be able to either loan their cars or rent available cars. Whether you're looking to make some quick cash on an extra car you've got lying around, or you're in need of a vehicle for a few days, this is the place for you!

This platform has two types of users:

1. Loaners: users who can loan their cars to the public.
2. Renters: users who can make reservations for cars, and leave reviews for cars they have rented.

If you don't wish to create an account, you may also surf the site as a guest. However, guests will only be able to search for cars and see reviews.

When you hover over any button on the homepage, it'll glow like this.
